Online Title Excalibur 10 Tray Select Digital
Dehydrator, in Stainless Steel
(DH10SCSS13)

Online Title
(Short) Excalibur 10 Tray Select Digital
Dehydrator, in Stainless Steel

Long
Description Preserve your food with the Excalibur
10 Tray Select Digital Dehydrator.
This expertly crafted stainless-steel
dehydrator features 16 square feet of
drying space and includes ten
chrome trays, offering plenty of room
to meet all your dehydrating needs.
The patented Hyperwave Technology
along with the Horizontal Parallelex Air
Flow fluctuates the temperature to
remove water from food with a
continuous circulation of
thermostatically-controlled warm air
for even drying without tray rotation.
Set precise time and temperature
with the easy-to-use LED control
panel with temperature ranging from
85°F to 165°F for up to 60 hours. The
countdown timer will appear on the
screen and the unit will automatically
shut off when drying is complete.
Easily monitor the drying process
through the clear glass French door.
This unit is perfect for you, whether
you are drying vegetables, fruits,
herbs, meat, flowers and more.
Preserve your seasonal harvest or
fresh catch, create healthier treats or
simply get crafty with this high-quality
Excalibur dehydrator. Explore the
world of preservation and get creative
with the included digital book,
